

BSSC Competition Policy

Policy Statement:

Club Championships competitions may only be entered by persons who have been members of the club for a period of not less than 3 months on the closing date for entry to a particular club championship. This rule may be relaxed at the discretion of the Executive Officers on a case by case basis.

It shall be the policy of the Club that teams and swimmers selected to represent the club in inter-club competitions shall be so selected by the Executive Officers or by any person or persons appointed by the Executive Officers as to be in the best interest of the club.

By accepting membership, members accept that they are expected to swim for the club in events for which they are selected, provided that they are available to swim and unless the headcoach considers that the individual concerned needs to swim at a licensed meet to establish or improve Qualifying Times or are invited to compete at County level or above. A record of all decisions will be reported to the committee monthly, the head coach's decision is final.

The obligation of members to swim to represent schools at which they are pupils shall generally be recognised as over-riding their obligations to the club.
